

No Smoking Policy

In accordance with the Early Years Foundation Stage we have a no Smoking policy within the setting indoors or outside in the play areas.

None of the staff smoke and visitors to the setting are also asked to refrain from smoking as we are aware that it can take up to 24 hours for toxins to break down.

Similarly we will not take the children in our care into smoky environments and will avoid places whereby smoking is permitted.

Should the subject arise we will educate the children on the risks of smoking to their health.

Adopted: Sept 2016
